WHICH COURSE IS RIGHT FOR YOUR SCHOOL?

Each event is carefully structured to maximise both on-court development and the Sun City experience. Here's a guide to help you choose the format that best suits your team's needs and schedule.

SHORT WEEKEND COURSE

N2 · N3 · N4

u/9 & u/10 | **u/11 – u/13** | **u/14 – u/15**

Friday	Arrival & afternoon — condensed specialised coaching begins. Focus on systems and connections on court.
Saturday	Morning coaching continues. **Saturday afternoon: free time at the Valley of Waves** — well earned!

Sunday	**Match day** — putting coaching into practice in a competitive tournament format. Departure after matches.

FOCUS AREAS Specialised coaching on all court positions · Attacking & defensive systems · Player and positional combinations · Center passes, throw-ins & defensive setups

Ideal for: Schools wanting a quality pre-season boost without a full week away. A great introduction to Sun City events for first-time attending teams.

LONG WEEKEND COURSE

N7 · N10

Primary Schools **u/16 – First Teams**

Thursday / Friday	Arrival & first coaching sessions — intensive programme begins covering all seasonal coaching aspects.
Full Days	In-depth coaching covering every element a coach needs for the season ahead. **Mental toughness sessions** for players and coaches. Team building activities. **Free time at the Valley of Waves.**
Final Day	**Match day** — competitive tournament play to apply all learnings. Departure after matches.

FOCUS AREAS All coaching aspects needed for the season · Individual & combination specialisation · Circle play, center passes, throw-ins · Mental toughness & team cohesion · Creating a *blueprint for netball coaching* in your school

Ideal for: Schools serious about building a lasting netball culture. This course is designed to improve netball as a whole at your school — coaches and players leave with a clear, structured plan they can implement immediately.

MIDWEEK SHORT COURSE

N5 · N6 · N8 · N9 · N11 · N12

Primary Schools **Secondary Schools** **Private Schools**

Day 1 (Mon or Wed)	Arrival at 12:00, lunch, and coaching from 13:00. Full afternoon of specialised sessions.
Day 2	Full day of coaching. **Free time at the Valley of Waves** in the afternoon.
Day 3 —Tournament Day	**Shared match day** — the Mon–Wed group plays against the arriving Wed–Fri group. A full day of matches against fresh opposition. Mon–Wed schools depart at 15:00; Wed–Fri schools settle in for their two remaining coaching days.

FOCUS AREAS Same quality coaching as the short weekend format · All court positions & combinations · Systems — center passes, throw-ins, defensive setups · Maximum match exposure through the overlapping tournament format

Ideal for: Schools that cannot commit to a weekend away or prefer to minimise time out of class. The overlapping tournament structure means teams get to compete against a *completely different set of schools* on match day — excellent exposure and match practice.

FIRST AID & MEDICAL

AT THE NETBALL COURTS

- No first aid is available at the netball courts
- Each school **must provide their own first aid kit**
- Schools must bring their own **strapping** for low-risk injuries (blisters, sprains, etc.)
- Schools are responsible for managing minor injuries within their own team

SERIOUS INJURIES

- A **clinic is available** within the Sun City resort
- **Ambulance services** are on call and will arrive at the courts within minutes
- In the event of a serious injury, event management will immediately contact emergency services
- Please ensure all participants' medical information and emergency contacts are available with the accompanying staff

FUNDRAISING INITIATIVE

We understand that touring comes at a cost. To help lighten the financial burden on individual players and their families, Egalite Promotions is proud to introduce a **raffle ticket fundraising initiative** for the 2027 season — exclusively available to schools that enter before **30 November 2026**.

HOW IT WORKS

Raffle tickets are made available directly from the organisers. Schools distribute the tickets to their players, who then sell them within their own networks. **100% of all money raised goes directly towards the individual player's tour costs** — the school and organisers take no share whatsoever.

PRIZES

Exciting prizes generously donated by **Sun Vacation Club** and **Egalite Promotions** — making the tickets an attractive sell for players and their supporters.

SCHOOL'S ROLE

Schools are responsible for **administering the tickets and managing the funds** raised by their players. This keeps the process simple, transparent, and fully in the school's control.

ELIGIBILITY

This initiative is **exclusively available to schools that enter before 30 November 2026**. Yet another great reason to secure your spot early!

Please note: Ticket availability is subject to stock. Contact Tharina to arrange your school's allocation once your entry has been confirmed. **netball@egalite.co.za** | WhatsApp **082 822 4117**
